

# Harwell Campus

## 8k Walking Route

Circular route so you can pick up the walk at any point. The following directions are for an anti-clockwise route.

At the entrance to **Thomson Avenue**, follow the footpath along side the sports pitches inside the Campus fence, at the end of the field follow the road to **Curie Avenue**.

Cross the road and walk down **South Drive**, at the junction with the bridle path turn left and join the **Ikneild Way bridle path**. Follow this for about 50 metres, until you see a gap in the hedge on your left, go through the gap and continue past the houses. Keep straight following the path back on to **Curie Avenue**. Turn right on Curie Avenue and walk until you reach the **Harwell Innovation Centre**, follow the signs for the diverted bridle path at the rear of the building and follow this track.

Follow the track around the Campus always keeping it on your left, this is for approx. 5 kms.

At the South end of the Campus follow the track past the **Stud Farm** and follow the road toward the **Chilton Field** housing estate.

At the junction of **Downside Road** turn left and follow tree line on the field in front of **Chilton Primary School**.

Continuing toward the **War Memorial**, walk along the field edge toward **Fermi Avenue**.

Turn left onto Fermi Avenue and cross the road by the entrance to **Gemini Building**, and follow the landscape corridor onto **Becquerel Avenue**.

Cross the road opposite **Quad One** building and follow the track behind Quad One down to Quad One car park and back to the start of the route on **Thomson Avenue**.
